GL18

959HL-L

RM18

RMB54

For greater comfort, life of mattress and maneuverability of the product (for cleaning etc.) you are better off with a spring deck bed...

TRK Detail

...either of the bunkable sort as shown above, which also allows you to raise and lower the spring to multiple heights at 3" increments...

Or of the sort shown at left... RM18 can only take a low profile underbed storage unit

RM78

You can use low profile storage unit as shown at left for underbed drawers...

EV4SC

...Or use 2 each 2 drawer stacking units as shown at left (shown stacked, but you could put them side by side under the spring) ...

EV4C

EV4B

EV4A

...Or use more traditional dressers shown

All the configurations / options are available in Lowell or Everest style
